Active students organized many functions throughout the fall semester. President Morris Bonadona's chief goal was to encourage unity and spirit at AHS. Vice-President Cindy Zecher helped by planning "movie week", and raising graduation requirements. Rowdy noontime rallies on the circle, which included bands, magicians, and comics, were just a few of the activities planned by our Recording Secretary Kim Holmes. Susan Davids, Financial Secretary, was in charge of the budget and successful moneymaking projects such as the student body card raffle, concessions at football and basketball games, a Chili Feed, and a Christmas mistletoe sale. Boosting school spirit sky-high was Dana Nelson, our Commissioner of Spirit, who successfully organized Spirit Week, Homecoming, and a Hornet sweatshirt sale.

The fall student body officers continued to bring strong leadership to AHS through hard working student

government.

AHS leadership members, led by speaker Kim Clary, met each morning in the student activities room to plan various fall functions. The class was divided into different committees, each with a chairman. The Social Activities, Campus Affairs, Publicity, Finance, and Policy committees kept busy organizing activities such as: dances, noon rallies, a chili feed and the Fall Sports Award Dessert.

The 1978-1979 social calendar was full of surprises because of the dedicated work of our conscientious

leaders.

Spring Leadership.

Leadership members promoted the Hornet spirit of AHS with fun fund-raisers and interesting activities this past semester. The organization of these activities began with ideas brought up in the individual committees. These committees included the Social Activities, Finance, Policy, and Campus Affairs groups. A few of the activities were the Don Perata Paper Shoot, an assembly at Thompson Field, a student Gong Show, a Powder Puff Football Game, and Sports Awards Dinners. All of the Leadership class members participated in the various happenings. The goal of each Leadership member was to be responsible, dependable, and enthusiastic, so as to insure quality Leadership.

Spirit filled Hornets swarmed through the decorated halls of AHS. Dressed in costumes ranging from hula dancers to fierce safari animals, the AHS students anxiously awaited the rival game of the year: Hornets vs. Jets.

Lunch time activities such as the strenuous tug-of-wars between classes, bubble gum blowing contests, and spirit rallies, kept the students buzzing.

The Class of "79" with the theme "Seniors go Hawaiian", was chosen as the most spirited class. A close second were the Junior Egyptians, with the Sophomore Safari coming in third. Last, but still spirited, were the Freshman Firemen.

The enthusiasm of the entire Student Body spread throughout AHS during the **week.**

Officers of the Student Body drove hard to improve the general atmosphere at AHS this past spring. President Cindy Zecher organized the first assembly at Thompson Field, and kept contact with the public through the "Hornet Buzz".

Also working hard was Kim Clary, who, as Vice President, headed the Policy Committee.

Recording Secretary Mary McElhinney coordinated an AHS dance and kept records of all Ad Board meetings.

Financial Secretary Susan Davids led a hard-working committee, which organized a Jog-a-thon, and two Sports Awards Desserts.

Commissioner of Spirit Ronda Goodman worked on the annual Don Perata Paper Shoot and Powder Puff Football Game, and a Car Rally.

A new office this year was the Publicity Officer. The election of Toni Nicosia proved helpful to the Student Body Officers in their drive to

Lunchtime is an hour long period filled with student activity. During this busy time, one could find brown baggers munching out in the cafeteria, students purchasing hot dogs and sandwiches on Park Street, studious pupils cramming in the library for afternoon tests, club members meeting together to plan future fund-raisers or field trips, and groups of students at the circle observing Hornet rallies. The lunch hour is used to promote school spirit with rallies sponsored by the cheerleaders and pom-pon girls and to entertain students **at AHS.**

speaking, the Media Center facilities are designed to meet the needs of all of the AHS students. A number of reference materials such as informative filmstrips, interesting slidesets, video cameras, microfiche, records and a wide variety of books are used by approximately 1200 students daily. Coming in handy are the center's facilities; including a sunken reading area, seminar rooms, a filmloop center, typing room, career center, and a recently opened darkroom.

With all of the facilities available to the students through the center it is no wonder that during its short period of existence, it has proved to be quite

helpful.

With 33 AHS students in attendance, and a very busy schedule, the week long trip flew by.

Advisors Don Perata and Bob Allegrotti mentioned that Close-Up will be open to all classes next year, and anyone interested is welcome to participate in the program.

The trip proved to be fun but snowy, with 11 inches of snow falling during the week. The highlight of the week was a breakfast with Pete Stark. A sad farewell was made during a disco dance the last night before departure. It was here that everyone said their goodbyes to new friends, state representatives, and to Washington **D.C.**

Yearbook challenges were met with great success this year. The 1979 Acorn staff, led by Editor Jeff Heimans along with Assistant Editor Susan Davids, soon learned how to write copy, design layouts, crop photographs, sell ads, and organize all this together into an interesting yearbook.

After deciding on the theme for the book, HORNET POWER, Jeff and members of the staff attended a yearbook conference at Cal State Hayward where many new ideas were discussed.

This year new features about the book include the special effects image on the cover, which was done in a television studio in San Francisco, the complete full color introduction with forty color pictures, and the addition of sixteen more pages increasing the book to 256 total pages.

Although this year's staff was the first staff ever to have no previous experience with yearbook at all, and they encountered a difficult transition of advisors, they worked extremely hard and saw all obstacles **conquered.**

Pedestrians who value their lives, should always take caution when out-of-doors, for one never knows when the students of AHS, preparing for their future driving careers, are on the road. These students know the basic traffic laws and regulations, but they are only beginners behind the wheel and need intensive training as drivers.

A new policy at AHS is that students enrolled in the 30 hour classroom course, Driver's Education, or the actual driving course, Driver's Training, can now obtain graduation credits by passing the classes.

Remember that while venturing out into the real world in the automobile of Driver's Training students, both the backseat passengers and the instructors have had experiences which they will never be able to forget. Knowing this, when you see a Driver's Training car, and you notice students sunk down in their seats or teachers who are nervous and flushed, you will know that there was a "close call" a bit earlier . . .

The ROTC unit was a viable part of the school curriculum at AHS. Cadets were instructed in such subjects as leadership, development, marksmanship, first aid, map reading, and drill exercises. The unit also participated in various community activities, such as the Annual Alameda County Veteran's Day Parade, and provided a parade color guard at various civic functions in and around Alameda.

The cadet leaders were Major Michael Dickinson, Captain Ken Brown, Lieutenant Phillip Deeff, and Lieutenant Bret Silva.

Culminating the school year's activities were the Annual Competition and Awards Ceremony, in which the cadets of AHS competed with those of EHS for the Major's Trophy, to win the reputation as the best

Hornets Varsity Football squad closed its regular season play by stinging the Jets 39-16 which gave them the ACAL Championship. In post-season play the Hornets defeated Marina 21-20 and Salesian 40-16 to claim the North Coast Section 2A Championship.

The Hornets posted a 10-0-1 season. Senior half-back Mike Floyd ran 1,318 yards and was chosen the East Bay Player of the Year. Senior quarterback Rick Hernandez led the league with a 55% completion record.

The offensive linemen Mark Perri, Don Maroney, Torren Lagorio, David Carr and Kevin Werk gave Hernandez time to find top receivers Paul Knott and Jerry Ogden.

The defense was the best in the ACAL. Tackles Keith Yaden and Perri enabled linebackers Lagorio, Carr, Werk, and Bryan Calestini to contain their opponents. Defensive backs Mark Pharr, Jerry Nildhamrong and Jerry Ogden intercepted a record 22 passes.

Coach Greg Fox brought the Hornets back to the powerhouse position in the ACAL and enabled the Hornet swarm to **dominate!**

Football proved a strength for Hornet sports enthusiasts this year. JV football players won the ACAL championship for the second year in a row with a perfect record. Soph/Frosh players posted a 2-4-1 record, losing a close rival game to Encinal by the score of 13-12.

Running statistics for the Girls' Cross Country team were impressive this year. Senior Barbara Sieber, sophomore Carol Nohra, and freshmen Linda Crone and Joy Pasley led the team to a third place finish in the ACAL.

Injuries and sickness afflicted the team toward the end of the season; however, the team brought back plenty of ribbons and medals from their trip to McKinleyville, Oregon.

Next year promises to be even better because the younger team members are building up running

power!

Cross country team members ran away with second place in ACAL competition this year. Top runner Frank Leeds won his second consecutive individual championship and broke the course record by a full six seconds.

Don Diola and Frank Leeds were named first team All-ACAL, while senior Jim Smith and sophomore Mike Miller were chosen second team All-ACAL. Collin Morgal, Brian Thompson, and Freshman Brian Paece rounded out the squad.

The team, which was coached by Bill Thompson, should once again be a strong contender for next year's ACAL Championship in Cross

Country.

Gymnasts at AHS demonstrated their outstanding abilities by capturing the ACAL title this year. From this undefeated team, five skilled girls were chosen to represent the "Gold and White" at the North Coast Finals. These limber ladies included junior Claire Gilmore and sophomores Chris Healy and Susan Bordo.

Knowing that supportive leadership is vital to the success of every team sport, Co-Captain Leilani Kingrey and manager Patty Bixler did an excellent job in helping the gymnasts

cold, hard workouts were part of the reason the 1978 Water Polo team enjoyed one of its finest seasons ever. Coach Robert Rodd stated, "Our team strengths appeared in our speed and the depth of our roster, which enabled us to post a record of 13 wins and 5 losses for the season. The best record ever for Alameda."

The Hornets were led by seven senior lettermen: Mike Eby, Peter Eichelberger, Co-Captains Rich Gray and Jeff Heimans, Joe Houghton, Brad Kieffer, and Bill Thompson. Rounding out the varsity squad was a compliment of four junior players: Mike Foster, Mike Grace, Dave Bedinger, and Greg Follrath.

At the Independent League Tournament, Alameda captured the second place trophy from the seven team league. Their only league play loss all season was to the league champions San Ramon. Goalie Rich Gray, along with the three players who won All-League honors, Jeff Heimans, Joe Houghton, and Mike Foster, led the Hornets to the North Coast Tournament where they competed in five grueling games in less than 30 hours to capture a seventh place finish - the second highest finish in AHS history.

Alameda's JV squad compiled a 3-5 record while gaining experience for next year and learning that water polo is a sport that is rough

and wild!

Girl basketball, beginning its first season ever at AHS, was under the fine direction of Donna Ratzel. Even though the new team turned out a record of no wins and twelve losses, many games ended in close finishes. The top players were Rhonda Mah, Givern Shirley, Emma Shirley, and Bunny Bearney. Accurate shooting was the main goal for the Junior Varisty basketball team. Under the direction of coach Leroy Bernadou, the team compiled a record of 5 wins and 7 losses, with effective plays leading to victories over Albany, Pacific, and San Leandro. The starting players included Guards Paul Rolleri and Jerry Nildhamrong, Forwards Brad Thomas and John Carlson, and Center Darell Holt. Coming off the bench to score key points were Steve Landreth and Randy Perri.

With second year coach Stan Boger directing the Hornet's Frosh team, the players turned in a season record of three wins and five losses. Outstanding players were Adrian Veenbaas and Rich Bullock. Also contributing to the team's victories were Paul Maragon and Mark Sato, with great plays resulting in accurate

Wrestlers headed by Greg Fox, in only their third year of existence, finished second in the ACAL league competition this season. Winning their weight divisions were Robert Mullens (130), Steve Markey (140), and Torren Lagorio (194). All three wrestlers continued to the North Coast Section Tournament, where Steve Markey was crowned champion in his weight division. Steve went on to represent AHS in the State competition, where he became state champion. Also going to NCS were Bruce Markey, David Parker, Mike Floyd, and freshman Jose Nunez. Other outstanding wrestlers were Danny Esparza, Joe Martinez, and Jeff Goodman.

What must be remembered is that wrestling is a sport that requires tough training and hard workouts. It is obvious from the impressive showings of the AHS wrestlers that their dedication and enthusiasm led to a season most

outstanding.

Computer Club

members were successful in acquiring some knowledge in the field of computer programming. Under the leadership of President Charles Sukay, the group of academically inclined students looked into this field to see what the future will be like with the fast progressing use of computers.

Key Club, a Kiwanis sponsored service club, enjoyed a busy year once again.

The group held a Halloween party for the Wood School youngsters and Christmas caroled down the lanes of Jack London Square during the holiday season. A successful sucker sale and dance were the highlights of the year. The funds helped reduce the costs for a convention held in Sacramento which was attended by the

The Disco Club, a dancing group coordinated by Erin O'Brien, was quite a success in its first year of existence.

Among the activities sponsored by the group were a dance production held in the main hall of AHS and disco lessons each Wednesday.

To represent AHS at disco organizations statewide was one major goal of the

Keywannettes had a successful year serving the community. Their service projects were many and included both dancing for a disco Dance-A-Thon and staffing a room at the Haunted House for the March of Dimes, sponsoring a dunking booth at the annual Carousel Capers to benefit the United Cerebral Palsey Center, and making tray favors for the Autumn Leaves Convalescent Home. Other activities on the club's calendar were a rummage sale, bake sale, and a group barbecue.

The Keywannettes once more proved to be a most dedicated and helpful service

The Pep and energy of the members of this club made it the most spirited group at AHS. The club sponsored a Hornet sweatshirt sale and shaker-stick sale for the promotion of AHS spirit and the expansion of the club's bank account.

Led by President Cindi Gilmore, Vice-President Debi Reitz, Secretary Bunny Bearney, and Treasurer Mimi Kim, this group of spirited students proved to be an effective rooting section at varsity football games.

The growing membership seemed to be proof of the spirited enthusiasm of the

The Italian Club

had its constitution officially reorganized this year and then rapidly became an active group. The goal of the club is to foster Italian culture and to help students become aware of various Italian activities. The members participated in an International Dinner, held an Italian booth at the Encinal Christmas Faire, and went out for an "Italian" evening in San Francisco. That's Italian!

Alameda High School's "S" Club had a very successful year. The "S" Club is a girls' service organization sponsored by the Soroptimists. Community-spirited, the group worked with special education students, prepared the annual Halloween and Christmas parties for the Lum students, and held a successful bake sale.

President Sandy Lothian, Vice-President Beth Braithwait, Secretary Margaret Yee, Treasurer Kim Purcell, Senior Director Caroline Kemmerrer were the officers of this year's

Sailing boats, such as a Chrysler Z6, a Cal 3-30 and a Newport 30 MK II and keeping them in ship-shape is the main thrust of this busy group of sailors. Under the leadership of President Cassie Stagg and Vice President Robert Platt, the group attended various boat shows and observed different sailing techniques and boat maintenance ideas.

The club has increased its membership this year and is on its way toward an even larger membership and more active **Club.**

Photography is a hobby enjoyed by many AHS students. Thanks to eager photographers, interested sponsors, and the availability of the school's dark room coordinated by John Wetzork, the club was a great success this year.

Club members developed, printed, and enlarged student-taken photographs. Some of the pictures were entered in company-sponsored photo contests.

The officers included President Anthony Finelli, Secretary Mr. Regello, and Treasurer Craig Jaber. The sponsors of the group were Mrs. Dill, Mrs. Winzenread, and Mr. Regello.

Ski club members enjoyed the daring aspects of winter sports this past season. The club sponsored an overnight trip to Heavenly Valley, which was quite a success. A candy sale was a fund-raiser held to defray the trip's expenses.

With an abundance of snow and active members, the group once more proved to be AHS's most enthusiastic

members were quite busy this year producing a video tape based on a script entitled "Ripoff's Believe It Or Not" directed by Randy Ong. Much of the group's time was initially used to acquaint members with T.V. cameras, video-tape recorders, special effects generators, and a dimmer board.

The major purpose of the group was to purchase items for the studio. This year, money was raised for purchasing paint and casters to complete a speaker's stand for the

Sign Language is a technique which was developed to break the language barrier between the deaf and the hearing. Successfully formed this year was a club designed for students wishing to learn the skills of the language. Sponsor Mr. Terrell and his so-called "class" honors an open membership policy, feeling that it was both a worthwhile and fun activity for all interested.

Under the leadership of sponsor Mrs. Ames, the Usherettes were busy serving AHS and the community of Alameda in various ways. This courteous group of girls helped the Hornets by taking tickets and seating the audience at school plays, such as the season's successful opener, "Dracula." The club also began a tradition at AHS. They purchased honor pins for the seniors which were faithful during their high school years as

Senior pride and spirit were the major contributors to the capture of the "Most Spirited Class" title at AHS during the Spirit Week Competition. While "Going Hawaiian", hula dancers and yell leaders lead the enthusiastic class in cheers and chants during their noon rally.

Officers and active seniors organized and carried out many successful activities and fund-raisers for their final year at AHS. A major fund-riaser was a senior get-together where 30 seniors formed assembly lines at the Hyatt Regency and made hotel catalogs. Their labor was rewarded by hospitality and an all expense-paid room for their Senior Ball at the Hyatt Regency, of course. Highlighting the year were the Senior Banquet held at the Lake Merrit Hotel, the All-Night Party at Disneyland, and the Senior Ball in June.

The seniors of '79 proved to be the most spirited

Freshmen were welcomed to AHS this year by the Hornet upperclassmen, teachers, and administrators. As a result, the "Firemen" pulled together as a class and blazed through the halls with red hot pride during the annual Spirit Week, proving that they, too, were proud to be Hornets.

Led by presidents Curt Levitt and Adrian Veenbaas, the freshmen demonstrated unity in each activity, displaying great promise for a future super

ADMINISTRATION

"The role and function of the Administration at Alameda High School is to help facilitate the learning of each individual student by organizing and coordinating efforts of all departments, groups, and other individuals. We find it a distinct pleasure to work with and for students at Alameda High School.

"Our greatest strength is our student body."

COUNSELING DEPARTMENT

"The goals of the counseling department at AHS are to help all students learn more about their abilities and interests and to help students use this information to coordinate their future years.

"The counselors also inform the students about work experience opportunities, part-time jobs, various scholarships, and college requirements, opportunities, and deadlines."

Mr. Robert Bartley
Head Counselor

Ms. Arlene Hoshi

Mr. Robert Bartley

ENGLISH DEPARTMENT

"The English Department encourages students to take responsibility for their own learning by providing them with the opportunity to plan a program that meets their individual needs. This change in emphasis has resulted from the new requirement that all students pass proficiency exams in reading and writing; those students who need help in the basics of these subjects may enroll in courses designed to provide an individual learning program for each student.

"This year we offered an Honors English course for those students who had completed college preparatory courses in English and wanted to take a college course. Students are also taking advantage of the facilities in the new building in many ways."

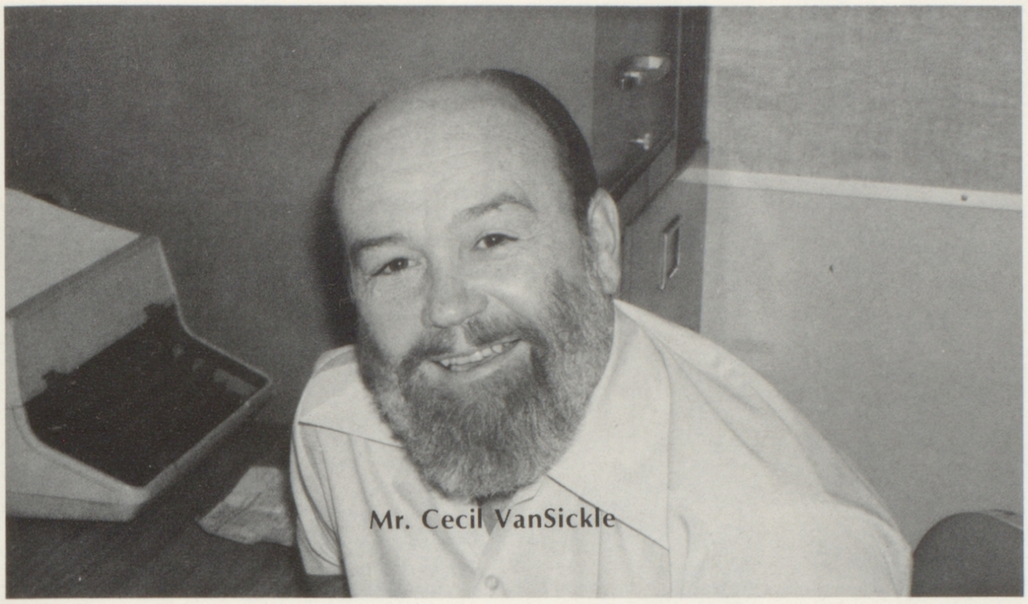
BUSINESS DEPARTMENT

"The Business Department offers a variety of individualized units to help prepare students for jobs and to be more knowledgeable consumers. Typing, stenography, job skills, accounting, consumer skills, record keeping and office skills, and model office are some of the subject areas available to the students."

Mrs. Raylene Dill
Department Chairperson



Mr. Cecil VanSickle

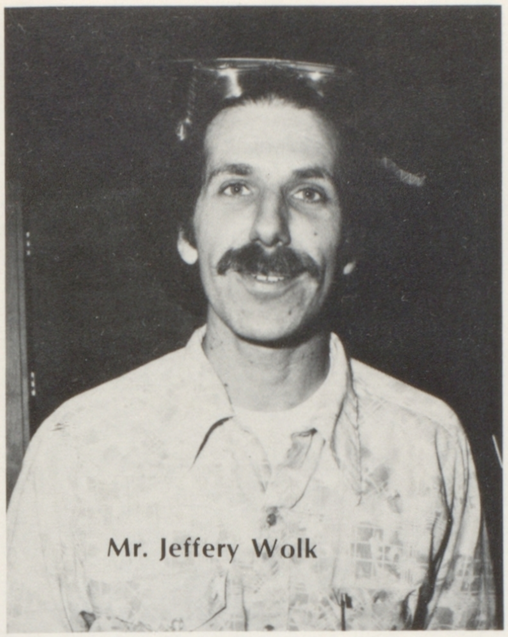
FINE ARTS DEPARTMENT

"The primary goal of the Fine Arts Department is to provide individual and collective appreciation and expression of oneself through the creative arts. The general goal for the Fine Arts Department is to increase the student's capacity for experiencing aesthetic qualities and values in the arts and the general environment.

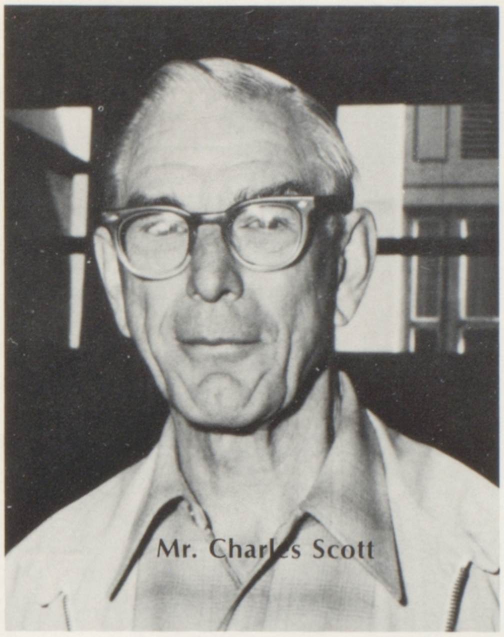
"The department aims toward the encouragement of the individual's personal development by transmitting the cultural heritage of the arts to the students and allowing them to train and thus transform to the environment today."

Mrs. Inez Whitton
Department Chairperson

INDUSTRIAL ARTS DEPARTMENT



Mr. Jeffery Wolk



Mr. Charles Scott

"Though the Industrial Education Department was off to a slow start after the move to the "new school", the program seems not to have suffered. In fact major improvement such as individualized welding and auto shop classes were developed. Added to the original program which included auto, welding, machine shop, crafts, plastics, mechanical drawing, wood shop and electronics courses was a power mechanics course. Despite handicaps with necessary equipment, the classes appeared to be well received and promise improvement in the near future."

FOREIGN LANGUAGE DEPARTMENT

"The enrollment of the foreign language department has increased again this year. The department offered four languages to AHS students, Spanish, French, German, and Italian. The students enrolled participated in various learning experiences such as eating at cultural restaurants, attending food festivals, corresponding with pen pals from other countries, listening to guest speakers, and sightseeing through slides."

P.E. DEPARTMENT

"The Physical Education Department is proud to announce that it is continuing its inadequate program. This is very good, considering the fact that the facilities for physical education are not good enough to even be considered inadequate.

"Students should try to enjoy the program next year, because with the lack of interest of 'those in high places,' the program is destined to deteriorate."
